About us

Ambe Phytoextracts is engaged in the business of research, development, manufacture and supply of standardized and innovative ingredients for more than a decade now. Nestled in the lap of Himalayas, our manufacturing units are spread over a combined area of over 2,00,000 sq. ft. and in-house state-of-the-art facilities including a DSIR approved R&D and quality testing lab.

Quality

Our products are non-GMO, non-ETO treated, non-irradiated and comply with major international regulations, enabling us to supply to leading companies across the globe.

Expertise

Our expertise is in Bio-actives. At Ambe we work with over 60 different Bio-actives, including some rare ones, to create ingredients that are efficacious and safe.

Licences

Bio-Immune™

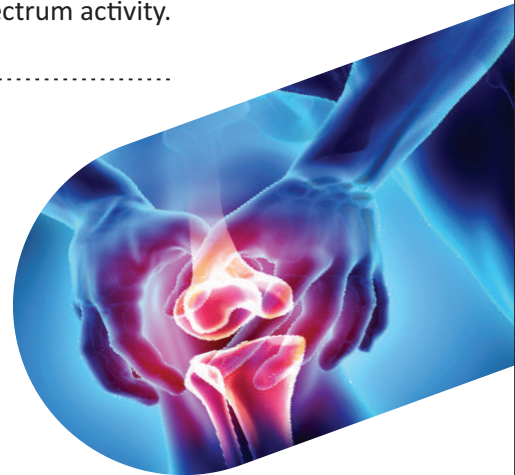

Anti-viral | Immunomodulator

A highly bio-available natural anti-viral and potent immunomodulator with wide spectrum activity.
Oral and nasal application

AKBA Ultra®

(Standardised Boswellia Extract)

Potent complex of Boswellia serrata extract that is clinically tested for reduction in Osteoarthritis symptoms and improving joint health

Pinorox®

(Pine Bark Extract)

A powerful anti-oxidant that has been clinically tested to show improvement in endurance and stamina, while reducing exercise induced inflammation and fatigue

Phaseolean™

(White Kidney Bean Extract)

In-vitro studies show Phaseolean to inhibit **α-amylase** and **α-glucosidase** enzyme activity, making it a powerful ingredient for weight loss and blood sugar management.

OTHER BRANDED INGREDIENTS

GC-MAX®
(Green Coffee Bean Extract)

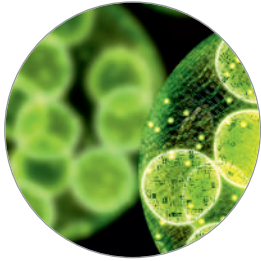

GC-MAX® is standardized Green coffee bean extract containing high amount of Chlorogenic acids (CGA) and 5-CQA

Curomin®
(Bioavailable Curcumin)

Curomin® is the highly bioavailable, water dispersible curcumin extracted

Curomin®
(Bone & Muscle Health)

Proprietary blend of branded ingredient AKBA ULTRA® and CUROMIN®

ALGAL OMEGA (DHA+EPA)

Derived from algae, this is a vegan form of omega available in DHA + EPA or DHA only specification, in powder and oil form. Available in up to 70% DHA+EPA. DHA is essential for the growth and functional development of the brain in infants. EPA lowers risk of cardiovascular disease.

ULTRA COLLAGEN

Hydrolyzed marine Collagen peptide, available in low molecular weight (~ 250 Dalton), resulting in complete water solubility and excellent absorption & bioavailability.

HIMBERRY (Sea Buckthorn)

A superfood from Himalayas containing Omega Fatty acids – 3,6,7,9 along with minerals, carotenoids, vitamins, antioxidants and more than 190 known Bioactives. Besides its use as a superfood, Sea Buckthorn is effective for burns, wounds, cuts and other skin damages when used topically.

SAW PALMETTO

Available as Oil and Extract Powder, Saw Palmetto contains fatty acids (70% to 95%) and their ethyl esters. Its known for its role in the management of Benign prostatic hyperplasia (BPH) and Alopecia.

β-CAROTENE

β-Carotene is a provitamin A carotenoid and supports good vision and boosts immunity. At Ambe, it is manufactured using only natural source, this ensuring better bioavailability

SERRATIOPEPTIDASE

A proteolytic enzyme that has been used for reducing inflammation. it helps the body to break down protein, which helps in decreasing inflammation and mucous. it has antiedemic, analgesic, fibrinolytic and caesinolytic properties.

KEY PRODUCTS

Ambe manufactures a wide range of standardized herbal extracts that are used in healthcare and personal care industry.

Name	Source	Biomarker	Standardization	Benefits
Aloe Vera Extract	<i>Aloe barbadensis</i>	Aloin free	100:1, 200:1 : Titration	Skin Hydration
Amla (Dry extract)	<i>Phyllanthus emblica</i>	Tannins	20% - 40% : Gravimetry	Adaptogen, Antioxidant
Amla (Fresh juice powder)	<i>Phyllanthus emblica</i>	Vitamin C	3% - 5 % : Titration	Adaptogen, Antioxidant
Andrographis Extract	<i>Andrographis paniculata</i>	Andrographolides	4% - 98% : HPLC	Immune Support, Respiratory Support, Hepatoprotective
Ashwagandha Root Extract	<i>Withania somnifera</i>	Total Withanolides	2.50% : HPLC 2.5% / 5% / 8% : Gravimetry	Memory health, Stress Management
Banaba Extract	<i>Lagerstroemia speciosa</i>	Corosolic Acid	1% - 20% : HPLC	Blood Sugar support
Bacopa Extract	<i>Bacopa monnieri</i>	Bacosides	20% - 50% : HPLC	Memory health
Beet Root Extract	<i>Beta vulgaris</i>	Betanin Content	0.30% : UV	Sports Nutrition, Natural Colour
Bitter Gourd Extract (Karela)	<i>Momordica charantia</i>	Bitters	5% - 10% : Gravimetry	Blood sugar support
Black Pepper Extract	<i>Piper nigrum</i>	Piperine	95%/HPLC : UV	Thermo-nutrient
Boswellia Extract	<i>Boswellia serrata</i>	Boswellic acids AKBA	50% - 90% : Titration 30%, 60% : HPLC	Joint Health Support
Calcium Senosides	<i>Senna alexandrina</i>	Senosides	20% : HPLC 20% - 60% : UV	Laxative
Centella Extract	<i>Centella asiatica</i>	Triterpenes	Upto 40% : HPLC	Memory Support, Skin Health
Cinnamon Extract	<i>Cinnamon cassia</i>	Polyphenols	10% - 30% : UV	Blood sugar support
Coleus Extract	<i>Coleus forskohlii</i>	Forskohlin	10% - 40% : HPLC	Weight management
Fenugreek Extract	<i>Trigonella foenum-graecum</i>	Saponins	20% - 60% : Gravimetry	Blood sugar support
Garcinia mangostana Extract	<i>Garcinia mangostana</i>	Alpha Mangosteen	10% - 60% : HPLC	Skin Health, Anti Acne, UTI
Garcinia cambogia Extract	<i>Garcinia cambogia</i>	Hydroxycitric acid	50% - 70% : HPLC	Weight management
Giloy Extract	<i>Tinospora cordifolia</i>	Bitters	2% - 5% : Gravimetry	Immunity
Ginger Extract	<i>Gingiber officinale</i>	Gingerols (powder) Gingerols (oleoresin)	upto 25% : HPLC upto 40% : HPLC	Digestive Support, Joint Health Digestive Support, Joint Health
Green Coffee Extract	<i>Coffea robusta</i>	Chlorogenic Acids (Caffeine NMT 2%)	upto 60% : HPLC	Blood Sugar Management, Weight Management
Green Tea Extract	<i>Camellia sinensis</i>	Polyphenols EGCG Catechin	upto 95% : UV upto 40% : HPLC upto 70% : HPLC	Antioxidant
Guggul Extract	<i>Commiphora mukul</i>	E & Z Guggulsterones	upto 2.5% : HPLC upto 10% : UV	Cardiovascular health
Gymnema Extract	<i>Gymnema sylvestre</i>	Gymnemic Acids	25% : HPLC 25% - 75% : Gravimetry	Blood Sugar Support
Licorice Extract	<i>Glycyrrhiza glabra</i>	Glabridin Glycyrrhizic Acid DGL	upto 40% : HPLC upto 60% : HPLC NMT 3% : HPLC	Skin Lightening Immune Support
Moringa Leaf Powder	<i>Moringa oleifera</i>	Protein	20% : N ₂ Estimation	Immunity, General Health
Moringa Seed Powder	<i>Moringa oleifera</i>	Protein	60% : N ₂ Estimation	Immunity, General Health
Mucuna Extract	<i>Mucuna pruriens</i>	L-Dopa	10% - 60% : HPLC	Energy Support, Men's Health
Natural Caffeine	<i>Coffea robusta</i>	Caffeine	upto 98% : HPLC	Energy Support
Nirgundi Extract	<i>Vitex negundo</i>	Alkaloids	NLT 0.1% : Gravimetry	Asthma, muscle spasms and anxiety
Salacia Extract	<i>Salacia Reticulata</i>	Saponins	20% : Gravimetry	Blood Sugar Support
Shilajit Extract	<i>Ashphaltum</i>	Fulvic acid Fulvic acids (Total Acids)	2.50% : Gravimetry 10% - 50% : Gravimetry	Adaptogen, Sports nutrition, Immunity
Tribulus Extract	<i>Tribulus terrestris</i>	Saponins Protodioscin	20% - 60% : Gravimetry 20% : HPLC	Energy and Sports nutrition Men health
Triphala	<i>Embllica officinalis</i> <i>Terminalia bellirica</i> <i>Terminalia chebula</i>	Tannins	50% : Titration	Digestive Health
Tulsi Extract	<i>Ocimum sanctum</i>	Ursolic Acid Bitters	2.50% : HPLC 2.5% - 5% : Gravimetry	Rejuvenation
Turmeric Extract	<i>Curcuma longa</i>	Curcuminoids	95% : HPLC	Immunity, Skin Health
Valerian Extract	<i>Valeriana officinalis</i>	Valerinic acid	0.8% Powder : HPLC 10% oleoresin : HPLC	Sleep Health

ALOE VERA EXTRACT

The polysaccharide-rich composition of Aloe vera extracts (*Aloe barbadensis* Miller), is recognized as a natural effective ingredient for improving skin hydration, possibly through a humectant mechanism.

Key Active: *Aloe barbadensis*

Benefits: Skin Hydration

ALPHA MANGOSTEEN

The seeds and pericarps of the fruit have a long history of use in the traditional medicinal practices. Mangosteen rind has been found to be anti-inflammatory, antioxidant and anti-acne-causing bacteria.

Key Active: Alpha Mangosteen, NLT 60% by HPLC & NLT 98% by HPLC

Benefits: Anti acne

ANDROGRAPHOLIDE

It is proven clinically that Andrographolide decreases inflammation marker IL-6 which treats skin damage and prevents skin aging. AS-WS is the water soluble inclusion complex of Andrographolide.

Key Active: Andrographolide, NLT 17% by HPLC

Benefits : Skin lightening, Anti-aging

CENTELLA EXTRACT

Its bioactive triterpenes are well recognized and validated for their use as a skin rejuvenative and skin conditioning nutrient

Key Actives: Asiaticoside & Madecassoside - 40%, Asiaticoside - 90% by HPLC

Benefits : Skin Conditioning, Under eye care, Anti-aging, Wound healing

LICORICE EXTRACT

Licorice extract is derived from the roots of *Glycyrrhiza glabra* & is recognized to help soothe skin; it also affords antioxidant protection

Key Active: Glycyrrhizic acid, NLT 98% by HPLC

Glabridin, NLT 40%, 95% and 98% by HPLC

Benefits: Antiaging, Skin lightening

HEMP SEED OIL

Hemp Oil that is used in skincare has no psychoactive properties as it is devoid of tetrahydrocannabinol (THC). It is rich in properties that makes it a very effective moisturizer functioning as an emollient and smoothen the skin.

Key Active: Fatty Acids, NLT 98% by GC

Benefits: Skin nourishment

HIMBERRY SEED OIL/PULP OIL

Sea buckthorn is a Himalayan Shrub shrub. It's oil is rich in fatty acids, carotenoids, and vitamins to make it an ideal active for use in the management of dry, flaky burned, irritated, or rapidly ageing skin.

Key Active: Omega Fatty Acids, NLT 50% by GC

Benefits: Skin Hydration, Intimate hygiene, Anti aging, Anti acne

SAW PALMETTO OIL

Serenoa repens is one among the many naturally occurring 5 alpha reductase (5aR) inhibitors which has gained popularity as remedy for androgenetic alopecia.

Key Active: Fatty Acids, NLT 85% by GC

Benefits: Boost hair growth

NATURAL CAFFEINE

Natural Caffeine Obtained from green coffee beans, Caffeine shows inhibition of the 5- α reductase enzyme activity that benefits hair growth and scalp care functions.

Key Active: Caffeine, NLT 98% by HPLC

Benefits: Hair Growth, Anti-hair fall

PINOROX[®]

Pinorox[®] is a standardized Pine Bark Extract (*Pinus roxburghii*), loaded with the Super Antioxidant – Oligomeric Proanthocyanidins compounds (OPC's). Pine bark has also powerful anti-aging properties from promoting skin elasticity to protection from UV rays.

Standard: >85% Proanthocyanidin By UV

Benefits: Skin elasticity, UV protection
