We’re thrilled to host and welcome you to the second edition of **Vitafoods India from February 13th to 15th, 2024**, at the Jio Convention Centre. As part of the global Vitafoods brand which has united the nutraceutical industry for over two decades, this event aims to facilitate networking, knowledge-sharing, and business collaborations.

The 3-day exhibition is designed with a high-quality content programme to bring together the entire nutraceutical supply chain. Vitafoods India 2024 is a unique platform connecting international suppliers and business leaders, offering innovative and high-quality nutraceutical ingredients, dietary supplements, natural products, and services.

As India embraces a wellness-focused lifestyle amid rising lifestyle-related diseases, Vitafoods India 2024 is at the forefront, leading the transformation. With the Indian nutraceutical industry experiencing a robust 25% annual growth during the pandemic, this event serves as a dynamic hub for innovation and collaboration. Aligned with the evolving demands of our wellness-driven society, Vitafoods India is a catalyst for a healthier future, coinciding with the projected USD 10 million dietary supplements market in India by 2026.

Beyond an impressive array of exhibitors, our event features dedicated zones like the Innovative Product Zone and the Global Trends Zone by Mintel, providing valuable insights into industry trends. The programme includes a content-rich conference, global buyer participation, and a Fireside Chat with celebrity speaker Luke Coutinho, Wellness Champion for the Fit India Movement, exploring the latest innovations in Sports Nutrition.

We express our heartfelt gratitude to our esteemed associations, including - Shellac and Forest Products Export Promotion Council (SHEFEXIL), Association of Herbal and Nutraceutical Manufacturers of India (AHNMI), Health Foods and Dietary Supplements Association (HADSA), Women in Nutraceuticals (WIN), and Plant Based Foods Industry Association (PBFIA) for their unwavering support.

I extend my best wishes to all exhibitors and attendees of Vitafoods India 2024 for a remarkable and successful event!

Best wishes,

**Yogesh Mudras**
Managing Director
Informa Markets in India
It is with great honour and pleasure that we extend a warm welcome to you for the second edition of Vitafoods India. Vitafoods India promises to be a dynamic 3-day exhibition packed with high-quality content programs focusing on the latest trends in the nutraceutical industry.

Vitafoods India caters to India’s ever growing nutraceutical industry, the expo is comprehensively tailored to the regional requirements to make sure everyone’s able to explore, network and collaborate in their own way.

To position your company as a leader in the nutraceuticals sector, look no further than Vitafoods India. At Vitafoods India 2024, we anticipate the presence of over 5000 industry professionals seeking innovative and top-quality ingredients, dietary supplements, and services from over 100 renowned global suppliers.

Public health approach in India is shifting from curative to preventive one, particularly as an aftermath of the covid-19 pandemic. India boasts a thriving ingredients market including vitamins, minerals, a broad range of botanicals, and other plant- and animal-derived ingredients. Agriculture is one of the nation’s biggest industries, providing plentiful raw materials for nutraceuticals and functional foods. In addition, the marine environment also is being explored for novel ingredients for use in nutraceuticals. Coupled with a government drive to improve the nutritional status of Indian citizens, a skilled workforce, and manufacturing expertise, the sector is ripe for expansion.

We at Vitafoods India, are dedicated to providing an unforgettable experience that reflects the immense potential of this burgeoning sector and I extend my best wishes to all exhibitors and attendees for a remarkable and successful event!

Best wishes,

Rahul Deshpande
Sr. Group Director

Gut health for holistic wellbeing

Due to its associations with various health areas such as cognition, immune health and skin, the gut microbiota is already an important focus in integrative medicine. Scientific advancement in gut health suggests that the health of our gut microbiota also has a significant impact on obesity and weight management.

Products showcased under this theme are-

- **Brand Name** - Codex Shaant
  - **Product Name** - Clear Skin Probiotic Dietary Supplement
  - **Product Details** - Formulated with a proprietary blend of three probiotic strains to support both the gut and skin microbiome.

- **Brand Name** - Kirkland Signature Nature’s Path Organic
  - **Product Name** - Ancient Grains Probiotic Granola
  - **Product Details** - It is made with a blend of ancient grains and contains BC30 probiotic. It provides 6g fiber and 30g whole grain per serving, claiming to support gut and immunity.

- **Brand Name** - Denps Denmark Probiotics Story
  - **Product Name** - Probiotics for Diet
  - **Product Details** - It supports gut health and slimming. It contains L. curvatus HY7601, L. plantarum KY1032 probiotics complex, which helps to reduce body fat.

- **Brand Name** - Rollagranola
  - **Product Name** - Almond & Pecan Crunch Oat Granola
  - **Product Details** - It claims to help keep the gut healthy and thriving, and boost mental health. It has back of the pack information about how feeding the gut can fuel the mind.
Positive Ageing

Consumers are becoming more focused on ‘positive ageing’, seeking to adopt a long-term approach to their health that enables them to stay active and independent for as long as possible. Positive ageing or healthy ageing is relevant not only for seniors but also for the youth. The nutraceuticals category is well placed to offer solutions for improving quality of life for seniors and to kickstart the early prevention of age-related diseases with positive nutrition from a young age.

Products showcased under this theme are-

- **Brand Name** - Tru Niagen
  **Product Name** - NAD+ Booster Supplement
  **Product Details** - Increases NAD+ to support healthy ageing. It claims to increase cellular energy and support heart health, muscle health while supporting cellular defence and repair.

- **Brand Name** - Menowell
  **Product Name** - Menowell bars
  **Product Details** - The product is designed specifically to help older women in navigating the menopausal stage and manage the symptoms that come with it. These plant-powered bars claim to aid in managing sugar cravings, sustaining energy levels, and addressing stubborn weight gain during this pivotal phase of life.

- **Brand Name** - Sweet Dreams
  **Product Name** - Sweet Dreams Blueberry Midnight cereal
  **Product Details** - According to Mintel research, 66% of Indians who have used supplements to delay ageing look for sleep benefits. The Sweet Dreams Blueberry Midnight cereal is said to help establish a healthy sleep routine. It claims to be an excellent source of zinc, folic acid, and B vitamins to support natural melatonin production.
Women’s health

Women require a comprehensive approach that addresses their unique health and nutritional requirements, fostering empowerment throughout their journey of womanhood. It is important for companies to adopt a mindful, nutrient-focused, and solution-driven strategy to enhance women’s quality of life at every stage through innovations in menopause, prenatal nutrition and hormonal disorders.

Products showcased under this theme are-

- **Brand Name - Pink Stork**
  **Product Name - Sweet Mint Flavor Fertility Tea**
  **Product Details -** The wellness brand for women offers a tea containing a fertility proprietary blend.

- **Brand Name - Healthspan MenoSerene**
  **Product Name - Hair & Nail Strengthener Tablets**
  **Product Details -** It is an advanced complex suitable for women before, during and after the menopause. It claims to support the health of hair and nails.

- **Brand Name - Oomi Organics**
  **Product Name - More Lactation + Colic Prevention Herbal Tea**
  **Product Details -** It is made with organic fennel, nettle leaf, and milky oats to enrich and increase milk flow and production while also helping in baby’s colic prevention.
Innovative formats

Consumers are increasingly proactive in using supplements for health, but choosing the right one in the saturated market can be a challenge. Many products tout similar health claims and clean labels, making it critical for brands to differentiate. Innovative formats that simplify consumption, enhance efficacy, or boast unique appeal can grab consumer attention and stand out from the crowd.

Products showcased under this theme are-

**Brand Name - Vitalbeautie**

**Product Name - Meta Green Booster Shot**

**Product Details** - It is a liquid shot with capsules. It helps to support metabolism and to reduce body fat.

**Brand Name - Nourished Collagen+**

**Product Name - Joints & Recovery Gummy Stacks**

**Product Details** - The brand utilises ground-breaking 3D-printing technology, combining seven scientifically backed ingredients into a single delicious gummy stack.

**Brand Name - H&B**

**Product Name - Glow Nut Butter with Benefits**

**Product Details** - It is a nut butter with beauty benefits. It contains a clinically studied ingredient called SkinAx which comprises a blend of melon, and grapeseed. It also has vitamin C and zinc which contribute to normal collagen formation.
INNOVATION ZONE

February 13 - 15, 2024
Jio World Convention Centre, Mumbai

Stand F24
Innovation Zone

Company Name: Bart
Stand No. :- D04
Product Name :- Liposovit®-Fe
Liposovit®-Fe is liposomal iron (bisglycinate) in the form of homogeneous powder with higher absorption and bioavailability, confirmed in a study. Liposovit®-Fe is a modern product which responds to the widespread interest in safe and well-tolerated iron supplements.

Company Name: Shankar Nutricon Private Limited
Stand No. :- J04
Product Name :- LIPOSOMAL VITAMIN C
ACTISOMES, an innovative LIPOSOMAL delivery solution, which enhances bioavailability and adsorption. In a unique dry powder form, it ensures stability and ease of use compared to conventional liposomes. This patent-pending product, crafted by experienced scientists, aims to revolutionize Liposomal Active ingredients. ACTISOMES are exclusively derived from sunflower-origin phospholipids, ensuring both non-GMO and non-allergen qualities.
Company Name: **Generex Pharmassist Private Limited**  
Stand No. -: E08  
Product Name -: **AMLEXIN™**  

AmLexin™ is a patented, natural joint-care ingredient containing synergistic blend of Morus alba and Acacia catechu. AmLexin has potent Chondroprotective properties ensuring Cartilage integrity. Amlexin is the Innovation using Unigen’s PhytoLogix™ Discovery Technology that has database of 15000 extracts.  
Significant reduction of uCTX-II, a type-II collagen biomarker of joint cartilage breakdown.  
Helps protect joints from natural wear and tear, by neutralizing super oxide anion.  
Clinically proven to support exercise recovery and reduce delayed onset of muscular soreness (DOMS).

Company Name: **Samriddh Nutractive Pvt. Ltd.**  
Stand No. -: E24  
Product Name -: **BeepActive™**  

BeepActive™ is a patent pending integrated extract of Beetroot and Pomegranate using Bio Active Fusion Technology for enhanced sports nutrition and active wellness. Completely natural with no added chemicals and an excellent organoleptic profile well suited for all delivery formats.  
Backed by gold-standard clinical study BeepActiveTM has shown significant increase in flow mediated dilation and is a perfect ingredient for pre and post workout support.  
Want to know more about BeepActive! See you at E24!
Company Name: **Bio-gen Extracts**  
Stand No. -: G04  
**Product Name**: CaroRite™  
CaroRite™ is a clinically-proven carotenoid complex that leverages the synergistic power of lutein, zeaxanthin, alpha carotene, beta carotene & lycopene. It is designed to support visual & skin health while promoting longevity, overall wellbeing & quality of life.

Company Name: **K Patel Phyto Extractions Private Limited**  
Stand No. -: E16  
**Product Name**: CurcuVail®  
CurcuVail® offers best Curcumin bioavailability, clinically proven for efficacy. Ideal for diverse applications, it ensures tasteless, odorless integration, free from pesticides, and complete water dispersibility. Elevate your formulations with CurcuVail®.
Company Name: **Natural Remedies**

Stand No. -: C08

Product Name -: Holixer™

Holixer™ is derived from Holy Basil (Ocimum Tenuiflorum) via a proprietary B.O.T™ platform offering Ocimum Bioactive Complex (OBC). In the management of acute stress, chronic stress and in improving sleep quality Holixer™ is effective at a low-dose of 250 mg/day.

---

Company Name: **J. B. Khokhani & Co.**

Stand No. -: E08

Product Name -: LAC-Shield™

LAC-Shield (heat-killed L.paracasei MCC1849) is a clinically proven postbiotic that enhances immunity. With its unique immunological function, LAC-Shield serves as a ‘Shield’ to protect against infections.

Highest capacity to induce IL-12, a potent activator of innate and adaptive immunity.

Strengthens the natural defense system through IgA production.

Enhances immune response of influenza vaccine.

Endless opportunities in dietary supplements, foods and beverages due to excellent stability in harsh manufacturing conditions.
Company Name: Avlaan Pharmaceutical Private Limited
Stand No. -: B12
Product Name -: Magtein® (Magnesium L-Threonate)
Magtein® is the only ‘bioavailable magnesium’ brain health ingredient that works by crossing the blood-brain barrier improving brain and mental health.
Strong clinical evidence supports the effectiveness of Magtein for brain and mental health. Magtein has a robust clinical program with several published double-blind placebo controlled clinical studies in addition to numerous animal and in vitro studies.

Company Name: Lipoid AG
Stand No. -: B24
Product Name -: PhytoSolve® Astaxanthin
PhytoSolve® Astaxanthin – Highly bioavailable astaxanthin emulsion consisting of natural ingredients only (astaxanthin, MCT, phospholipids, glycerol). Vegan, non-GMO, free of synthetic surfactants, palm-oil-free, made in Germany.
